

Regional Seminars – March 2010

- **RURAL & REGIONAL CONTRACT REPORTING**
 - **ACCREDITATION COMPLIANCE**
 - **THE NEW INDUSTRIAL RELATIONS SYSTEM**

Bus and coach operators continue to be subject to a high degree of regulatory and contractual compliance. BusNSW's seminar program provides face to face advice to members on these issues and a forum where members can have their queries answered and issues clarified.

▶ **CONTRACT FINANCIAL REPORTING**

Rural and regional contract reporting continues to generate a number of queries from operators. BusNSW will focus in on some of the areas of confusion and provide members with an update on the latest developments on contract reporting including financial statements.

▶ **ACCREDITATION COMPLIANCE**

Many bus and coach operators have undergone their first BOAS audit. BusNSW will examine where operators have been falling short in the BOAS audit process and what members can do to improve their compliance.

▶ **INDUSTRIAL RELATIONS CHANGES**

The national industrial relations system which commenced on 1 January 2010 covers all bus operators irrespective of whether they are single entities, partnerships or corporations. BusNSW will explain what you need to know about the new system and what you need to do to comply.

▶ **BusNSW WEBSITE**

Members will also be shown how to access contract and other information from the BusNSW website.
